

GLACIER WHITE NT/60X120/R — ANTRIM/60X120/EP

Glacier

GLACIER emulates white quartz in exclusive, highly original fashion. It stands out particularly for its grey veins on a white background, rather like tears in a canvas. The veins narrow and broaden out again across the whole surface, forming lovely crisscrossing paths, conceived to lend surfaces personality and balance. The collection comes in a Natural or Polished finish in three formats: 75.5x151 cm, 60x120 cm and 90x90 cm.
